About FRIENDS

The Friends of the Library is a group of citizens in our community who share a common concern for our library's active participation in community life. They also have a common conviction that an active, vital library is an important asset to the community. Money raised by the Friends through membership, used book sales, donations, tote bag sales and other fundraisers helps purchase materials and fund programs beyond the means of the library's annual budget. We invite you to help strengthen this valuable community resource.
